## CRUISING INTO A YUMMY WELCOME

**BRIDGET DAVIES  
AND WILL ZWAR**

**LAMINGTONS, ahoy!**

International travellers docking at Port Melbourne are being welcomed with an Aussie icon.

The Waterfront Welcomers were handing out free lamingtons to cruise ship passengers yesterday.

The volunteers will also be making visitors feel at home by offering free sweet treats and rickshaw rides around the Port Melbourne area.

Port Melbourne Business Association president Paul Littmann said the initiative would encourage tourists to experience the culture of Port Melbourne.

“There is a fair bit of history, they can have a nice walk on the beach in the warm sun of Port Melbourne and return to the ships in the evening,” he said.

Now in its third year, the program is an initiative of the City of Port Philip to boost the local economy.

The welcomers will be on hand for all arrivals for the spring/summer season.
