## Delicious to the core

**Food festival.** The only thing that goes better with pork than apple sauce has to be apple in booze form, so it's no wonder the second Victorian Cider and Pork Festival has had to move to the Flemington Racecourse to accommodate the state's biggest banquet of apples and pig. There will be more than 75 international and local ciders to taste – including Yarra Valley's Napoleone Cider, Custard & Co, and St Ronan's – while more than 50 different pork dishes will be served up from the likes of Meatmaiden, Dutchess, Bluebonnet BBQ, and Smokin' Barrys. With bands and DJs playing until late in the night, masterclasses and more, this weekend's festival has heaps to pig out on.

Tickets are \$30, including a pint of cider. On Sat and Sun from 11am-10pm.
