It's so cool to be out on The Deck

By Jesse Graham

WINERY visitors will be able to enjoy live music as part of their dining experience, with a new space opening at Coldstream's Rochford Wines.

The Deck at Rochford Wines, a new outdoor space overhanging the winery's lake, opened on Saturday, 3 December.

The space features a bar to showcase the venue's wines, accompanied with a dining menu and live entertainment in an outdoor setting.

The deck also has a cold-smoker installed and will serve Southern-style barbecue food,

and the space can be hired out for private functions.

Rochford owner, Helmut Konecsny said The Deck would allow visitors to enjoy the valley's scenery while having a glass of wine.

"It is a great new addition to the range of entertainment attractions for visitors to explore in the Yarra Valley," he said.

During the venue's A Day on the Green concerts, the deck will be used as a VIP space for

platinum ticket holders, with a view adjacent to the stage.

To celebrate the opening of The Deck, Rochford Wines and the Mail are giving away a dinner at Rochford wines for one reader and their three friends.

The giveaway includes a meal, glass of wine and wine tasting for the attendees.

To be in the running, email your name and contact details to win@mailnewsgroup.com.au.

The lucky winner will be announced on Friday, 16 December.
