## RUMBA TIME TO BE HAD BY ALL

LATIN rhythms will be heard through the Yarra Valley on Sunday thanks to the Cuban Jazz Festival.

Organiser Alex Mitchelson began the event eight years ago with just 100 people in the audience. Last year 4000 attended.

### CATHERINE LAMBERT

“The music is amazing because we have four stages where different styles of Latin music are performed,” he said.

“It’s become so big we have had to shift from the

winery to the racecourse to accommodate the crowds.”

Entertainment ranges from salsa classes to vinyl remix DJs and, of course, a lot of Latin jazz.
