SMOKIN' CUBAN

Ladies and gentlemen, light your Cubans. You'll be Havana good time (sorry) at Rochford Wines today for the 12th year of The Cuban Jazz Festival. In an incongruous but savvy booking, Joel Fletcher will DJ and play his club hit and song you know, *Swing* feat. Savage, as well as new banger *Bring It Back*. The four-stage event will have the band Carlito's Way (underrated film, too) playing as Melbourne Salsa team serves up corn chips and spicy sauce ... actually, they'll just be shimmying and hip-jutting and teaching you how to dance Latin style. Santiago Son will join Carlito's Way and spin commercial house and R&B, which, for many who have been sipping Somersby Cider and various wines all day, will be what they're up to get down to.

There's jazz in the White Rabbit Beer Garden and Segway rides around the vineyard from 1-4pm. There'll be cigars as well. 878-880 Maroondah Hwy, Coldstream, Today, 11am-6pm. \$70 to \$145. rochfordwines.com.au
