# Golf day on par for cash boost

WHETHER your golf balls sail like an albatross or regularly find themselves in a sandy situation, a coming fundraiser in Bonbeach needs your support.

Irabina Autism Services chief executive Debra Goldfinch said its annual Golf Day was an opportunity for businesses and individuals to support children with Autism through sponsorships, donations or attendance.

"This prestigious annual event is an opportunity for avid golfers – and even some of the golf hacks among us – to do what they love doing,

while raising valuable funds for ongoing support and therapy for people with autism," she said.

In 2014, Irabina provided more than 30,000 services to families affected by Autism and delivered one-on-one services to about 100 children every week.

Ms Goldfinch said money raised on the golf day would directly benefit children.

It will be held on Monday, March 16 at Patterson River Golf Club, Bonbeach, from 11.30am.
